The preliminary answer is retained, then tools return with 'Continue the original task.'

▲ No pause (earlier batch) ● Neutral summary, then act ■ Judge, then act

27B; three continuations per source and branch

Totals: earlier no pause 14/15; neutral summary 10/15; prior judgment 6/15. All 15 prior judgments rejected the route.

The direct 6/15 vs 10/15 comparison is small and uncertain. Five histories, not 15 independent histories.
